discovery, other than a mutual agreement to extend a deposition reached during the deposition, must be made by motion and before the termination of discovery or the expiration of any applicable deadline. Discovery must be completed on or before the termination of the discovery deadline. A written discovery request must be propounded by a date which ensures that the response to that request is due on or before the discovery deadline. The parties are encouraged to review Federal Rule of Civil Procedure 26(a)(2) to ensure they properly disclose *all* testifying witnesses, not just those for whom a report is required.
